# About

The GFWC Coral Gables Woman's Club is a social and community service organization that represents a diverse population of dynamic women of all ages, ethnicities, talents, and interests. In existence since 1923, the club is comprised of women who work or reside in Miami-Dade and Broward county areas.

The Coral Gables Woman's Club (CGWC) is part of the General Federation of Women's Clubs (GFWC), which is the oldest and largest women's volunteer service organization in the world. The CGWC is part of District 11 within GFWC Florida. By living the volunteer spirit, GFWC Coral Gables Woman's Club transform lives each day, not simply with monetary donations, but with hands-on projects that provide immediate impact.

Our common bond is a commitment to serving our community while enhancing and improving the lives of others through our volunteer efforts. Our club often partners with other organizations to make a positive impact. As a member of this club, you will have the opportunity to meet new friends, learn from others and share ideas and experiences with women on an international, state and local level.

We invite women who are looking to become involved in the local, national and international community in service and fellowship to join. It is a great opportunity to meet new friends while giving your time to worthy causes. Members volunteer 10 to 1000 hours, it is up to you how involved you want to be. The club meets the first and third Wednesday of every month. Check website for updates.
